### An Herbal Vinegar Primer

Presented by

Erin Harwood and Eloyce O'Connor

Co-Owners of Garden Delights Herb Farm

Do you know all of the many ways herbs can be used? Join the “delightful” gals from our favorite herb farm as we discuss different herbs for four of the different uses-culinary, body care, household and medicinal. Learn how to craft herbal vinegars pairing various vinegar and herb varieties (hopefully herbs from your own garden) for specific purposes. We’ll also turn an herbal vinegar into a healing oxymel (which are herbal vinegars with honey for health).

Includes demos, tastings, and much more!
