### **Basic Fruit Trees 101**

**Presented by**

**Steve Hiestand, Owner of Pruning Pro ([www.pruningpro.com](http://www.pruningpro.com))**

Do you have fruit trees in your yard and wonder how to care for them properly? Or, would you like to start growing fruit trees but need more information? Understanding the nature of fruit trees can be a lifelong learning experience, but this beginner's class will get you started in the right direction! We'll discuss tools, pest control and seasonal activities, then walk over to the student orchard to demonstrate basic pruning methods.

Please dress appropriately for the weather.
