### First Aid from the Garden

Presented by

Erin Harwood and Eloyce O'Connor  
Co-Owners of Garden Delights Herb Farm

Imagine...you are jazzed... an enjoyable day of gardening is ready to begin and then... Ever have a bee sting or maybe a minor cut? Things sometimes happen while gardening that may require a little first aid. Using herbs, this presentation will provide you with ideas for what to do before you hit the garden, right while you're in the garden and after you're done gardening for the day to cope with those minor "medical" emergencies. Make your time in the garden all that you expected it to be.
