Are you nurturing your green thumb, dreaming of a lush indoor jungle, or simply trying to keep something green alive indoors? Join us (and bring your plant to class) for this Zoom presentation all about growing houseplants. We will showcase some of our favorite indoor plants, discuss seasonal care tips, answer your questions and offer expert advice and solutions for growing happy houseplants.

This month, we are again partnering with The Camas Library for this online Zoom Meeting. For registration, please use the link below. Once registered confirmations will be emailed along with the link to the class (meeting).
