Keeping It Clean Upstream with Surfrider Portland

Presented by

Jessica Gilligan, Surfrider Executive Volunteer
and Sustainable Real Estate Agent

<https://portland.surfrider.org/>

The Surfrider Foundation is dedicated to the protection and enjoyment of the world's ocean, waves, and beaches, for all people, through a powerful activist network. Join us for a presentation and discussion centered around protecting the ocean. Learn about Surfrider Foundation Portland Chapter's volunteer programs, environmental impact, and opportunities to get involved with the local chapter (and no, you don't have to be a surfer!). The Portland Chapter focuses on "keeping it clean upstream" through volunteer cleanups, policy work, and helping restaurants decrease their environmental impact by becoming Ocean Friendly Restaurants.

This month, we are again partnering with The Camas Library for this online Zoom Webinar. For registration, please use the link below. After registering, you will receive a confirmation email containing information about joining the class.
