Come walk the gardens with the herb gals from Garden Delights Herb Farm and play the newest plant game – *Name That Herb*. They will be doing a “show and tell” of some of the herbs found in the various gardens. Useful information on using the herbs will be presented and open discussions on harvesting, preserving and growing will be welcome. You'll have a game card to fill-in as we explore with a possible chance for great herbal prizes. Get outdoors with your garden friends and enjoy a fun educational morning of herbal learning.

Please contact me at either of the email addresses below to register.
