

**NatureScaping**  
Wildlife Botanical Gardens  
PO Box 763 Brush Prairie, WA 98606

**September 17, 2022**

**10:00 a.m. to 12:00 p.m.**

## **Lasagna Gardening Workshop**

**Presented by**

**Pete DuBois**

**Clark County Composter Recycler Program**

Join us and learn an easy, frugal and quick method of creating a raised garden bed you assemble from scratch with organic materials readily available. No tilling or turning required! Don't worry if your soil is clay, rock, sand, grass or weeds - this method goes right over the top of (just about) anything. We will discuss the basics of how it works, what materials to gather and answer typical questions. We will build a lasagna garden bed in the Compost Demo site at the west end of the Wildlife Botanical Gardens.

**Please contact me at either of the email addresses below to register.**

Dress for weather and if you'd like to participate—bring your gloves.

**Class Location: Wildlife Botanical Gardens  
11104 NE 149<sup>th</sup> Street, Brush Prairie, WA. 98606**
