# *Family Fun in the Garden*

August 5, 2023

10:00 am to 12:00 pm

Can you eat a leaf? Build a bird's nest? Draw a pollinator?  
And what about bugs? Do we need them?

Join us for a morning of fun and learning in the garden!

Follow the map, find a path and choose your own adventure along the way!

Who knows, you may even eat a compost snack!

We are partnering with Master Gardeners of Clark County's Children's programming to set up activities in each of the gardens. The activities are interactive and created for a wide variety of ages. They can easily be done by families, with minimal instructions.

**Come join the fun!**
