Let's Talk About Weeds

Presented by

Pamela Moody

Master Gardener, NS Board Member, Hummingbird Garden
Coordinator

Learn to identify the weeds that are growing all around you. We'll provide an introduction to Washington State Noxious Weeds classifications and what to do if you encounter them. This fun-filled class will also cover some of the edible and medicinal uses of weeds.

Feel free to bring samples you would like to have identified.

Class Location: : CASEE Center, Building B, Room 205
11104 NE 149th Street, Brush Prairie, WA. 98606

Day/Time: May 18, 2024 10:00 a.m. – 12:00 p.m.

Fees: NatureScaping members free or \$15.00 for non-members.
