Learning to Prune Deciduous & Evergreen Shrubs

Presented by
Christofer Robison,
Professional Gardener and Landscape Contractor

Tired of shrubs and bushes that look like they belong in the Willy Wonka factory? Come learn to prune your shrubs for beauty and health of the plant. We will focus on methods and techniques to leave your plants looking incredible. First hour will consist of classroom instruction to be followed by time in the gardens for hands-on examples and lots of time for Q & A.
